KEY POINTS

Appointments are not required for bulk division. Stay in your truck. If you need to leave your truck for any reason, please leave release visible.
If waiting in the terminal for over 1 hour, please flag any FMT supervisor to notify them.
Have truck ready to load or discharge ASAP upon arrival at designated terminal location.
If you have further questions, please ask any of our terminal personnel.

TRUCK DRIVER GUIDELINES

- Delivery and/or cargo release documentation provided by truckers must be complete and match delivery information provided by steamship line.
- HAZMAT information must be complete and accurate.
- Truck drivers are ALWAYS responsible for ensuring the correct cargo is loaded on their trucks.
- Truck drivers are responsible for directing how cargo is to be loaded on their trucks.
- All drivers must stay a safe distance away (not less than 20 feet) from any area where loads are being suspended overhead.
- All drivers must remain a safe distance away from any truck, trailer and/or chassis while the truck, trailer and/or chassis is being loaded or unloaded.
- Truck drivers must provide their own dunnage. If you do not have any, FMT will provide at fair market price.
- Scaling is available at a charge of \$10.00 for trucks **NOT** loading or discharging at Federal Marine Terminals.
- Prior to cargo being loaded, truck drivers must move or remove racks and tarps and/or slider kits from the area where the cargo will be placed on the trailer. Failure to do so shall exempt FMT from all liability and/or responsibility of any resulting damage to the truck and cargo.
- Trucks must be **locked at all times while left unattended** for security reasons.
