Tel: 905.227.1884 or
905.227.1142
Fax: 905.227.5760
Email: lbisson@fedmar.com

OPERATING HOURS

The terminal will typically operate on a Monday- Friday schedule. Operating hours for the Bulk Division are 7 a.m. to 3:30 p.m. (please note that trucks must be scaled in prior to 3 p.m. to be loaded).

Operating hours for the Breakbulk Division are 7 a.m. to 3:30 p.m. (Please note that trucks must arrive to the office before 3 p.m. if picking up material offsite or before 3:30 p.m. if picking up material onsite).

Terminal will be closed Saturday and Sunday unless prior arrangements have been made.

APPOINTMENT SYSTEM

All trucks are unloaded/loaded in the order received, based on appointments made by 30 p.m. the previous day for the breakbulk division.

When calling for appointments on a day in which the terminal is closed, please leave a voicemail with Shipping and Receiving as prompted by the auto attendant.

Trucks with appointments will be unloaded/loaded first. Trucks without appointments will be loaded/unloaded after trucks with appointments, time permitting.

Overtime arrangements must be made in writing by 3 p.m.

SAFETY RULES

SPEED LIMIT ON TERMINAL:

**** 20 KMPH ****

- Yield right of way to forklifts/container handlers
- Stay in lanes. **DO NOT** cut through cargo staging areas
- Be observant and watch movement of cargo handling equipment
- Be alert for other trucks
- No commercial vehicles are permitted on the dock face
- Follow instructions of terminal personnel
- **Reflective vests, hard hats, and safety shoes are required**

SECURITY NOTICE

Due to federal security regulations, all persons entering the terminal must show photo identification.

All vehicles entering the terminal facilities are subject to screening.

Visitors must report and sign in at the main office.

KEY POINTS

Stay in your truck. If you need to leave your truck for any reason, please leave release visible.

If waiting in the terminal for over 1 hour, please flag any FMT supervisor to notify them.

Have truck ready to load or discharge ASAP upon arrival at designated terminal location.

If you have further questions, please ask any of our terminal personnel.

TRUCK DRIVER GUIDELINES

- Delivery and/or cargo release documentation provided by truckers must be complete and match delivery information provided by steamship line.
- HAZMAT information must be complete and accurate.
- Truck drivers are ALWAYS responsible for ensuring the correct cargo is loaded on their trucks.
- Truck drivers are responsible for directing how cargo is to be loaded on their trucks.
- Truck drivers must provide their own dunnage. If you do not have any, FMT will provide at fair market price.
- Scaling is available at a charge of \$10.00 for trucks **NOT** loading or discharging at Federal Marine Terminals.
- Trailer doors must be secured properly at all times while in the terminal.
- Trailer doors must be closed properly when approaching the scale.
- Trucks must be **locked at all times while left unattended** for security reasons.
- As a part of FMT's commitment towards the environment we ask that you turn off your engines whenever possible & avoid unnecessary idling.
